

ANDREA TINKER

CIS 250 InDesign Assignment 3

ABOUT ME

Hi! My name is Andrea Tinker and I'm a senior majoring in news media with a minor in African American studies. Once I graduate I have a fellowship position with the Alabama Reflector doing non-partisan reporting on Alabama policy and politics. But I would also love to work in public relations or social media!

One fun fact about me is that I absolutely love music. I'm always listening to it and I love discovering new artists and songs that I can add into my rotation. I listen to literally anything so if you have any artists you think I'd like let me know!
